

All staff and volunteers at LEAPS Suffolk are committed to the safeguarding and welfare of all children, young people and adults and we actively promote this in our work. We have a Safeguarding Child and Adult Policy in place which you can view in our policy folder. This can also be viewed online. We will listen to any sensitive information you wish to share, with the utmost respect. However, there may be times when we will need to work in partnership with other agencies to share information. Any concerns will be shared firstly with the parent, unless of course this will be detrimental to the welfare of the attendee.
